Cap and Gown
Vol. 77 1976

The 1976 Cap & Gown is dedicated with pride to John V. Reishman. As Chairman of the Publications Board, as a teacher and, above all, as a good friend, Mr. Reishman has been a great help in solving the problems of producing this year's Cap & Gown. Without his encouragement and confidence, the difficulties the staff faced would have been much harder to overcome. It is with special gratitude the Cap & Gown recognizes John Reishman — for the time, effort and talent he has given so generously.

GAILOR HALL

Putting together an annual such as this is no easy task. There have been several crises as the CAP AND GOWN has tried to cover through pictures the 1975-76 school year. Without the help of some very special people it could not have been done. My thanks to Melissa Egbert, Buffy Alden, and my photographers for their help in meeting deadlines; Dr. Binnicker and Dr. Reishman for being there when needed; John Menge, for his fine job as business manager; and my greatest thanks to Johnny Lovier of Josten's and Dick Willis for all their patience and hard work.
